PetStar Excellence Recognized Globally

- The Ibero-American Quality Award, at Golden Level is the highest honor for quality control worldwide.

Monterrey, Mexico. February 6, 2020.- PetStar, the largest food grade PET recycling plant worldwide, which is led by Arca Continental, received the Ibero-American Quality Award (Premio Iberoamericano de Calidad) that recognizes companies for their excellence in process quality control and innovation. The award, considered as the highest honor in the world for quality control, was granted in the city of Madrid by Spanish authorities.

In order to qualify for this award, which is based on the Ibero-American Excellence in Management Model (Modelo Iberoamericano de Excelencia en la Gestión), companies in Spain and Latin America need to have obtained prior quality-control recognitions in their
