## PRESS RELEASE

# AC Installed Recycling Stations in Iguazú

- Recycling stations were installed in schools in Iguazú in order to promote the circular economy model.

**Iguazú, Argentina, June 10, 2021.-** Arca Continental Argentina, in collaboration with the government of Iguazú, organizations in civil society, and The Coca-Cola Company installed recycling stations in four schools in Iguazú, Argentina.

During the virtual presentation of the project, in collaboration with the Department of the Environment in Iguazú, the company offered a course on the environment for 2,500 children to teach them about the importance of separating recyclable materials in their homes and schools.

These actions are part of Arca Continental's recycling and packaging strategy and are aimed at contributing, in collaboration with The Coca-Cola Company, to the global collective goals to achieve a World Without Waste. These efforts include most notably the bottles made out of
