

OUR WAY OF DOING THINGS

SAFETY AND WELLNESS POLICY

We are committed to provide and maintain a safe and healthy environmental guaranteeing that the prevention of injuries and diseases is a respected, observed and applied action; without exception, by all of whom form part of the organization, to take care of our integrity and of the people that are in contact with us.

Reflection of our commitment with excellence, at Arca Continental it is our responsibility to foster a favorable work environment, comply with legal and other subscribed requirements, establish clear and measurable objectives, eliminate hazards and reduce risks, provide the necessary resources, as well as taking into account participation and opinion of the workers and their representatives; seeking the continuous improvement of the Management System.

As part of our work culture, each associate must contribute to achieve maximum safety and wellness for our work sites and of all our productive and commercial activities.
